Dear Mr. Nagle:

This is a final reply to your Freedom of Information Act (FOIA) request to the Department of the Navy (DON), dated October 16, 2009. Your request was referred to the Office of Naval Research (ONR) on October 19, 2009 for action and direct response to you. We received the referral on October 2009. You were seeking documents showing summary information for administrative claims for patent infringement by the Government made under 28 U.S.C. 1498.

The information you requested is attached and is being released to you in its entirety.

The FOIA allows us to recover the direct costs of complying with your request. We have determined you fall under the commercial requester category. As such, you are responsible for the cost of three hours of professional search and review time, at a rate of \$44.00 per hour, and for the duplication of 2 pages, at 10¢ per page. Please forward a check or money order for \$132.20 within 30 days from the date of this letter, payable to the Treasury of the United States. You should mail your check to:

Office of Naval Research
Office of Counsel, Room 522
One Liberty Center
875 North Randolph Street
Arlington, VA 22203-1995

To ensure that your account is credited, you must reference ONR FOIA request **ONR 10-007** on your check or money order and attach it to a copy of this letter. If we do not receive your payment within 30 days, ONR may institute collection action under Federal debt collection statutes. These statutes provide for recovery of interest and administrative costs and penalty charges for handling a delinquent debt owed to the government.

If you have questions on this letter, please feel free to contact Leroy Winters, Jr., at (703) 696-4006 or leroy.winters.ctr@navy.mil. **Please reference FOIA ONR 10-007.**

Best regards,
